About the Workshop:-

Mime is the art or technique of portraying a character, mood, idea or narration by gestures and bodily movements. A mime artist is a person who uses mime, the acting out of a story through body motions without the use of speech, as a theatrical medium or as a performance art. Miming is distinguished from silent comedy in which the artist is a character in a film or skit without sound. We organised one day workshop on mime and invites Mr. Kangkan Talukdar as an expert guide, who is one of the most talented mime artist of Assam. He achieves National Young Talent Artist Award and Scholarship under Ministry of culture Govt. of India for his mime performance. The workshop aims to encourage the student to develop their acting skill in terms of body language (posture, movements, gesture etc) and for them to gain greater awareness of its importance as form of communication.

The organizing committee cordially invites you to participate and contribute your support to the workshop to make it an inspiring and successful one.
