MESSAGE

In the realm of higher and technical education, it is a real moment of pride and pleasure to announce the commencement of Pandit Deendayal Upadhyaya Adarsha Mahavidyalaya at Amjonga of Goalpara District in the year 2017. The college is an honest attempt at achieving the height of centre for Excellence in due course of time. Pandit Deendayal Upadhyaya Adarsha Mahavidyalaya at Amjonga is the outcome of the Model College establishment scheme of the Government of Assam in educationally backward Districts.

It is an earnest attempt to educate and empower each and every student from the socially and educationally backward regions or the state. It is hoped that this college would try to focus at imparting knowledge, skill based education and practical applicability and viability of science. Let us aspire for an overall growth and transcendental glory in future with Pandit Deendayal Upadhyaya Adarsha Mahavidyalaya, Amjonga.

Dated : 31st March, 2022

President, GB, PDUAM, Amjonga

Welcome note from the Principal's desk...

Dr. Navajyoti Sarmah

As the first Principal of the newly established Pandit Deendayal Upadhyaya Adarsha Mahavidyalaya, Amjonga, Goalpara, I welcome and extend my warm wishes to one and all. With the support of a dedicated staff (teaching as well as non-teaching) and the assistance of local inhabitants whose intellectual and general growth is our primary focus, I hope, or rather, know that we would achieve and set many milestones in the coming years. It is our inability to provide state-of-the-art facilities that compels youngsters to move outside the state. PDUAM, Amjonga strives to fill in this gap. Let us all work together keeping in mind the need for quality education in science and technology. By our consistent efforts and hard work, let us give our students an institute that they would, one day, be proud to call their alma mater.

The college at present offers HS course in Science and B. Sc. degree that offers major in six disciplines under the Gauhati University. The college has been aiming at catering an overall development and growth of its students, ever since its inauguration in August, 2017 by the then Hon'ble Education Minister and the present Chief Minister of Assam, Dr. Himanta Biswa Sarma. The college has been organising various functions and programmes such as Teacher's Day, Freshman's Social, Annual College Week, Saraswati Puja, Republic Day, National Science Day, World Environment Day, International Women's Day, celebration of Rongali Bihu with active participation of the students, teaching and non-teaching staff, parents and guardians and local inhabitants. Our students have excelled in cultural, literary and sports events in the state and inter-District level competitions and have brought accolades to the institution. The Students' Union body was formed and the NSS will be introduced very soon.

Full-fledged Science Laboratories, Central Library, Smart Classrooms, Gymnasium and Health Centre, PG for Boys are available to strengthen the college infrastructure and student support activities. The college has now a beautiful, well- built campus as well as the Girls' Hostel has been running smoothly. We have published the first issues of PDUAM College magazine "Amjonga" and PDUAM News Bulletin and a peer-reviewed international Research Journal is under the process of publication. We have been actively organising various seminars, workshops, popular talks for the welfare and benefit of both the teachers and students from time to time. We are hopeful that the Govt. of Assam will sanction the ARTS stream in our institution very soon to widen up the horizon of learning, impart knowledge and education for the students in coming days. Recently, we have signed an MoU with USTM, Meghalaya, a premiere institute of the north-east for various student related programmes and activities that will be beneficial and pioneering indeed.

I thank our students for trusting us enough to place their futures in our hands. Dear student friends, it is ambition that propels one to action-set your goals high and work accordingly. As is said, always aspire for the moon and even if you fail, don't worry, you would fall among the stars. We sincerely assure you a compatible academic atmosphere in the college through quality and value-oriented education.

It is earnestly hoped to see many years of glory with PDUAM, Amjonga. Thank you.

Principal
PDUAM, Amjonga, Goalpara.

ABOUT THE COLLEGE

Pandit Deendayal Upadhyaya Adarsha Mahavidyalaya was established at Amjonga in the district of Goalpara by the Government of Assam with the financial assistance from the Rashtriya Uchchatar Shiksha Abhiyan (RUSA). The institution was named after Pandit Deendayal Upadhyaya, a great thinker, philosopher and a renowned sociologist of the country. The government initiative to establish the college was to provide quality higher education compatible to one available in the best institutes of the country along with a distinct focus on science education, which is affordable and accessible to all sections of the society. The foundation of the college was laid on 29th October, 2014 and through continuous efforts of the Department of Higher Education and the RUSA, the institution has finally been able to open the gate for the first batch of students from the academic year 2017-18.

The college is located at Amjonga, a very beautiful and mesmerising tiny hamlet, about 7 km from Dudhnoi, the headquarter of Rabha Hasong Autonomous Council in Goalpara district. The college has an infrastructure built on a sprawling campus spreading over 25 bighas of land. The serene and the green campus of the college has the best ambiance including well-stocked library, digital classrooms, up to date laboratories conducive for teaching, learning and research along with residential facilities for college staff and girl students. Although the infrastructure of the college is yet to be completed, it is hoped that it will be completed soon by the sincere efforts of the concerned authorities. A galaxy of highly qualified and dedicated faculties put their best efforts to impart education by monitoring the students for their overall improvements. At present, the college offers Higher Secondary course in Science stream under Assam Higher Secondary Education Council (AHSEC) and an undergraduate programme leading to Bachelors' Degree in Science (B.Sc.) under the Gauhati University. The college has an ambitious plan to introduce Post Graduate courses along with several Skill Development courses in the years to come.

VISION OF THE COLLEGE :

To make quality a defining element of higher education along with continuous and consistent quest.

- To develop the potential of the students to meet the aspiration and perception of the society and the nation through the acquisition of knowledge, skills and values.

OBJECTIVES OF THE COLLEGE :

Promoting holistic education and training that endows the student with skills required to sustain their career in competitive global arena.

- To develop human resource and capacity building to cater the need of the economy, society and the country as a whole, thereby contributing to the development of the nation.
- Quest for excellence to provide best of the best experiences in teaching and learning by promoting the use of ICT.
- To inculcate a value system amongst the students to generate social responsibility.
- Providing adequate opportunities of higher education to socially and educationally backward groups, like SC, ST, Women, OBC and MOBC, Minorities and differently abled persons.

নতুন নতুন আহ, আহিল নতুন আহ
আমাৰ বহল বুকুতে ।

বগলীৰে বগা পাখি ডিহলিৰে আবশ্যতে,
ভয়-ভয়ৰ চিহ্নাঙু আমাৰ আপোন হাতে ॥

মৰা সঁতিৰ ধল আনো শুবন শুবন মাটিতে
সমাজৰে পিটনিত্তে মাটি ঢালোঁ বঙতে ।
পঢ়া-শুনাৰ চাবিটিৰে, জ্বলালোঁ উলাহতে
ভেঁউজীয়া সপোন আঁবেশ, ডিলমিল ভেঁউতিতে ॥

হেভাৰ মুগৰ একাৰে, আঁতৰাম নিজ হাতে
একাত্ৰে আগবাঢ়োঁ, ভেঁউতিৰে বাটে বাটে ।
সূৰ্যৰে ধেমালি, বাঙলী চোতালতে
পূৰণিৰে গাত নাচে নতুনে উলাহতে ॥
